

You Can be Healed

Are you sick and tired of being sick and tired? Well, I have good news for you! Jesus wants you healthy and well. He said in John 10:10 that the enemy comes to kill, steal, and destroy; but He has come to give you life--and not just life, but abundant life! Take a look through the pages of your New Testament. On almost every page of the four gospels, you will find story after story of Jesus healing the sick, cleansing the lepers, and setting the demoniacs free. You'll never find an example of Him making anyone sick; no, His mission was to make people well. Now, that's good news!

But, I have even better news than that. The really good news is that His healings and miracles weren't just for the Bible days. He is still healing today. Hebrews 13:8 declares that Jesus is the same today as He was yesterday and that He will always be the same. In other words, if He was a healer in the biblical times, He is just as much a healer today. That means that you can be healed just like the men and women you read about in the Bible.

Let me suggest a few keys to receiving your healing:

- 1) Believe that the promise is for YOU. Too many times, people think that the blessing of God are real, but they somehow fail to believe that God wants to do thing things for them specifically. It is a biblical principle that God is not a respecter of persons (Act 10:34); what He did for the people in the Bible, He'll do for you as well.
- 2) Recognize that your sickness is not God's will. His plan is that you would prosper and be in health as your soul prospers. (3 John 2) Even in the Old Testament, He declared that He does not put disease on us and that He is a healing God. (Exodus 15:26)
- 3) Pray in faith and expectance for your healing. (James 5:14)
- 4) Recognize that some sicknesses are a result of our own faults, sins, or unhealthy lifestyle. If this is the case, repent and decide to change your way of living.
- 5) If your personal prayers don't seem to bring results, have anointed men of God pray for you. (James 5:14)
- 6) Thank God for the answer even as you make your petition. (Philippians 4:6)
